Student Internships and Fees

There will be the following three internships, each lasting one month:

- 1) Clinical Internship I in January (Between January 3rd and January 31st);
- 2) Clinical Internship II in April (Between April 3rd and April 30th); and
- 3) Community Internship in July (Between July 1st and July 31st).

The Internship fee for each internship shall be 10,000 francs. All students must pay the 10,000 francs at least one week prior to the scheduled date of the internship. No student shall be allowed at any Internship Site who has not paid the internship fee. Students shall be responsible for their own transportation, lodging and feeding. Students are required to be professional, punctual and present throughout the duration of the internship.

All students shall be required to pay a caution fee of 20,000 francs refundable after graduation, if the student has not damaged any equipment that is replaced. If the cost of the damage is more than 20,000 francs, then the student shall be responsible for the total cost of the damage.

The students shall be evaluated by the director of each internship site and the head of each department shall visit each internship site once to ensure the students are doing what is expected of them and address any concerns or problems.
